

StreamView GmbH's experienced and multinational team develops and distributes televisions, receivers, and corresponding accessories of the Nokia brand in Europe, the Middle East and Africa. The products correspond to the Nokia brand guidelines regarding design, reliability and quality.

We are currently searching for a

Online Sales Manager/In

Your new field of responsibility:

- You will place our products in various webshops and monitor both content, campaigns and performance
- You will check the placement of our products on the online portals of our sales partners and support them in this process
- You are responsible for the eCommerce sales targets and reporting directly to the eCommerce Director
- You coordinate and control, in close cooperation with the marketing department, various online advertising campaigns of our company and our sales partners
- You will develop, plan and execute online product sales promotions and monitor the related sales, feedback and reporting
- You will prepare reports on eCommerce KPIs
- You will control the interaction between the web store, payment provider and ERP systems

You convince us by:

- Proven professional experience in the eCommerce business such Webshops, Marketplaces, Amazon, etc.
- Several years of experience in online marketing
- Management of product placement and product content in webshops
- Experience with Amazon and other marketplaces
- Knowledge in analytics tools like Helium 10 or Google Analytics
- Ability to negotiate in German and English
- Strong customer orientation and communication skills
- Flexibility

If the above criteria are met, we offer an entry-level annual gross salary of around EUR 45,000, with a willingness to overpay depending on professional qualifications and experience.

Please email your resume, salary expectations and earliest possible starting date to:

StreamView GmbH
